The EXHIBITION:

The **2008 Wine Label Contest Exhibition** will be the inaugural event to be hosted in the **Hope-Smith Art Lounge and Media Centre** at the Richmond Art Gallery. This new facility is named after Page Hope-Smith, our founding Director/Curator and an ongoing member of our Exhibition Committee twenty-seven years later.

All entries will be included in the **2008 Wine Label Contest Exhibition**, November 10-24, 2007.

This exhibition will run concurrently with The RAG Members Exhibition and Silent Auction Event entitled **Mirror, Mirror 2007: Little Landscapes and Miniature Worlds**.

SELECTION PROCESS and WINNING ENTRY:

The general public, through suggested donations of one dollar per vote, will decide on the winning entrant. Voting will take place throughout the duration of the exhibition.

The winner of the contest will be announced during the **Mirror, Mirror 2007 Keystone Gala Event, Saturday Night, November 24th**.

This will be an exciting evening of final Members Exhibition and Silent Auction bidding, raffles, mingling, great food, drink and dancing.

During this Gala evening we will also be "cutting the ribbon" in celebration of the new Hope-Smith Art Lounge and Media Centre facility in which the 2008 Wine Label Contest Exhibition will be displayed.

The winning entry will become the Richmond Art Gallery Wine Label for 2008. The winning artist will be profiled on the Gallery website throughout the programming year and featured in the first issue of the 2008 RAG e-Newsletter.
